

Important Messages:

A 5% water rate increase and a 4% wastewater rate increase will go into effect in July 2024 reflected on August 2024 bills to support Century II infrastructure management projects. Typical residential customers will see a \$1.60 monthly increase to the water portion of their bills and a \$2.75 monthly increase to the wastewater portion. Information about how to reduce your water usage is available at [www.kub.org/conserve](http://www.kub.org/conserve).
